Kambadhhal (V), Andhra Pradesh, India

CAREER OBJECTIVE

Computer Science & Artificial Intelligence undergraduate with a strong foundation in programming, version control and machine learning workflows, seeking to begin a career as a DevOps Engineer. Adept at Python and Java development, with growing proficiency in Linux, Docker and CI/CD practices, and a demonstrated ability to deliver reliable, well-tested solutions in fast-paced project environments.

TECHNICAL SKILLS

- **Programming:** Python, Java, C (basics)
- **Version Control:** Git, GitHub, branching and pull-request workflows
- **DevOps Tools:** Linux command line, Docker, CI/CD with GitHub Actions
- **Cloud:** AWS / Azure fundamentals
- **AI/ML:** Machine Learning fundamentals, data preprocessing, model building

EDUCATION

B.Tech, Computer Science & Artificial Intelligence Aug 2023 – Present

St. John College of Engineering & Technology | CGPA: 7.9

Intermediate (MPC) — AP Model School & College 2021 – 2023

CGPA: 6.3 | SSC — AP Model School, 2020 | CGPA: 9.3

INTERNSHIPS

Machine Learning Intern — CodeAlpha

- Built and tested machine learning models on real-world datasets using Python.
- Applied supervised learning techniques across the full preprocessing-to-evaluation workflow.
- Managed code and experiment versions through Git, maintaining a reproducible project structure.

Java Programming Intern — Code Missions IT Solutions

- Developed Java applications applying OOP principles and modular design.
- Debugged and resolved application issues, improving code reliability and reducing rework.

PROJECTS

Smart Traffic Management System

Python · Computer Vision · Git

- Built an AI system to detect emergency vehicles and prioritise their passage at signals.

Smart Attendance System

Python · Face Recognition · Flask

- Automated attendance capture using face recognition, removing manual roll-call effort.

CERTIFICATIONS & ACHIEVEMENTS

- Completed Machine Learning Internship — CodeAlpha
- Active GitHub contributor with multiple public repositories
- AWS Academy Graduate — AWS Academy Cloud Foundations (Credly: credly.com/go/8NJoH53M), Issued Sep 2025
